A lot of people make friends on the Internet today. Amy does, too. But she is very careful about that. She uses a different name on the Internet. She doesn't tell her Internet friends about her home address. She doesn't give them her telephone number. She gives some Internet friends her cellphone number and add them on Facebook and Instagram. Some people on the Internet are not nice. Amy knows **that**, so she doesn't talk to those people at all.

Amy sometimes gets together with her Internet friends. She meets them at restaurants and coffee shops. Those places are safe because there are a lot of people around. Even though Amy likes to make new friends on the Internet, she still likes her friends at school more because she can see them and talk with them every day.
